Do you want me to let Lisa know that? ... or is Shaun responding to Lisa? Do I need to respond to Lisa? If so, with what ... Do you want me to writ up short blurb, i.e. the meeting was about NEPA MB proposed project and potential EPA U&O FIP.

Thanks,

Beeler

It's up to Shaun if he wants to share the TPs. I would not call them prepared remarks. I would prefer the reporter submit questions.

Hi,

I'm a reporter with Inside EPA. Inquiring about a March 23 meeting between Mark McGrath and UT Gov. Herbert, DEQ director Alan Matheson and oil and gas industry representatives, held in Salt Lake City. Can you tell me what the meeting was about and provide any prepared remarks/ slides, please?

Many thanks,

Bridget
